FROM CHAIRMAN'S DESK

Dear Friends,

In September 2017 I took over the reins of India ITME Society from my predecessor Mr. Sanjiv Lathia, which seems like yesterday and in a blink one year has passed by. I appreciate and acknowledge the noble contributions of Mr. Lathia as a Chairman.

India ITME Society is a diamond we all polish together to bring forth the shine, which shall not only illuminate the Indian Textile Industry but also the Global Textile Industry. It is an ambitious journey, started 39 years ago with much grit, patience and anticipation by our forefathers and there are still miles to go.

It is my privilege to be part of this journey. We have new ambitious, new aspirations and now we are pushing our limits to reach new frontiers, beyond national boundaries to create a new milestone for the Society.

Together we strive to succeed.

**“Trust the Wait
Embrace the Uncertainty
Enjoy the beauty of becoming
When nothing is certain, anything is possible”**

I thank you all for the kind support extended to me this past year. It is my pleasure to present the Annual Report for the year 2017–2018 to you.

With Regards,

S. Hari Shankar

SUPPORT & CO-OPERATION WITH OTHER INDUSTRY ASSOCIATIONS

As in the past, India ITME Society supported various activities organised for the benefit of Textile & Textile Engineering Industry during the year

India ITME Society supported & participated in Conference on **Achieving Sustainable Growth in Textile & Apparel Industry through Manufacturing Excellence**, organised by Confederation of Indian Industry (CII), on 6th October 2017 at The Taj Mahal Palace Hotel, Mumbai.

The Conference was dedicated to deliberate upon the need of implementing standardized manufacturing systems & processes in order to attain manufacturing excellence & improving the system efficiency & output quality tremendously.

India ITME Society supported & participated in International Textile Conference on **Textile 4.0 - Global & Indian Perspective**, organised by Textile Association of India (TAI) on 22nd & 23rd March 2018, at hotel The Lalit, Mumbai

Textile 4.0 was an interpretation & application of Industry Revolution 4.0, in the Textiles Technology and Textile Manufacturing sectors across the supply chain of Spinning, Weaving, Finishing & Garmenting. The conference aimed to educate how industry 4.0 was shaping up & transforming the global textile business.

India ITME Society supported & participated in **9th ATEXCON - Asian Textile Conference**, organised by Confederation of Indian Textile Industry (CITI), on 14th March 2018, at hotel ITC Maratha, MUMBAI.

The Conference was on changing trends in Asian Textiles & Apparel Trade & Indian Economy, highlighting growth of textile & apparel exports in other Asian countries, especially Bangladesh, Vietnam, India & Cambodia.

GRATITUDE & APPRECIATION

The outgoing Chairman, Mr. Sanjiv Lathia

Mr. Sanjiv Lathia, who served as 9th Chairman, successfully completed his term of four years from 2013 to 2017.

Mr. Lathia successfully led the Society to great heights with a resolve that has already made the Society more effective. He has done an outstanding job in shaping India ITME Society for the past four years to what it is today. During his term he led the Society with a sense of dedication and resolute purpose to have successful Exhibitions.

A befitting farewell gathering was organised, on 17th November 2017, attended by the Consul General of Ethiopia, Deputy Consul General of Ethiopia, Consul General of Switzerland, Consulate General of Brazil, Deputy Consulate General of Italy, Consulate of the Grand Duchy of Luxembourg and Consulate of the Democratic Socialist Republic of Sri Lanka along with eminent industrialists and other esteemed guests from different walks of life.

ACTIVITIES

Visit to Ethiopia

Mr. S. Hari Shankar, Chairman India ITME Society, initiated Fact Finding visit for organising Textile & Textile Engineering exhibition in Africa. Ethiopia was selected as a destination for this visit, as Ethiopia seemed to be an ideal location for the event, being a neutral and stable country in the African continent, with an upcoming textile industry.

India ITME Society delegation to Ethiopia comprised:

- Mr. Hari Shankar, Chairman
- Mr. Bachkaniwala, Past Chairman & Hon. Life Member
- Mr. Sanjiv Lathia, Past Chairman & Hon. Life Member
- Ms. Seema Srivastava, Executive Director

The 4 day Ethiopia visit, from 26th – 29th March 2018, was to interact with Industry Associations, Govt. Officials, Indian Embassy, Service Providers and the Exhibition Venue in order to understand the feasibility of organising a Textile Machinery Exhibition in Addis Ababa. Many inputs were also taken from Indian Embassy in Addis Ababa in this regard.

The ITME Society delegation met with Ambassador of India and he supported the concept & advised that it is the right time as Ethiopia is the right country for such an international event, especially since Addis Ababa is a home to African Union and United Nations Office. H.E. further advised that India ITME Society delegates should interact with the Indian Business Forum members for better understanding of the scenario.

Another important discussion was with the Indian Business Forum members. According to them, despite several constraints, the future opportunity in Ethiopia is good and organizing an event is a good idea, though they cautioned about the tough Forex situation in Ethiopia. Ethiopia is trying very hard to develop their country in terms of trade and investment. Ginning and Garments are the main focus in Textiles, at the moment.

From all the feedback received during the visit, inference is that it is the right opportunity to enter the African market. An International Exhibition by India ITME Society shall establish the Exhibition as an exclusive sourcing platform for Textile Technology and Engineering Solutions for all of Africa.
