

GTTES 2025: A Global Hub for Textile Innovation, Sustainability, and Fashion Excellence

The **Global Textile Technology & Engineering Show (GTTES 2025)** is more than just an exhibition—it is a transformative experience that will bring together textile pioneers, technology leaders, and sustainability advocates from across the globe. As one of the most anticipated textile industry events, GTTES 2025 will feature state-of-the-art innovations, technical symposiums, business collaborations, and a grand cultural celebration.

 **Event Dates:** 21st – 23rd February 2025

 **Venue:** Bombay Convention & Exhibition Centre, Mumbai, India

With **177 exhibitors, 30+ participating countries, and a diverse range of activities, GTTES 2025 is the ultimate gateway to the future of textiles.**

What Makes GTTES 2025 a Must-Attend Event?

GTTES 2025 is not just about technology—it is about collaboration, creativity, and transformation. It will host a power-packed schedule of:

- ✓ **Innovative Product Launches** – The latest breakthroughs in post-spinning, weaving, processing, finishing, garmenting, and digital printing.
- ✓ **High-Impact Symposiums** – Featuring discussions on Indigenous Textile Machinery Development, led by **VJTI & IISC Bangalore** with the support of **India ITME Society**.
- ✓ **Textile Recycling & Sustainability Initiatives** – A showcase of how post-consumer textile recycling is shaping a greener future.
- ✓ **Exclusive B2B Meetings & Investment Summit** – Unlocking opportunities for joint ventures, trade collaborations, and technology transfers.
- ✓ **Cultural & Fashion Extravaganza** – A grand celebration of textile artistry, heritage, and fashion innovation.

GTTES 2025 is where industry professionals, designers, investors, and technology leaders come together to define the next phase of textile engineering and sustainability.

Day 1: A Power-Packed Start

The inauguration of GTTES 2025 will be led by **Ms. Roop Rashi (IA&AS), Textile Commissioner of India**, setting the stage for groundbreaking discussions, product launches, and strategic partnerships.

✨ **Key Highlights:**

- ✓ Next-Gen Product Launches – Featuring 11 new cutting-edge textile innovations.
- ✓ Technical Symposium – Experts from VJTI & IISC Bangalore dive deep into R&D for indigenous textile machinery.
- ✓ Textile Recycling & Sustainability – A first-of-its-kind initiative showcasing post-consumer textile recycling efforts by Navi Mumbai Municipal Corporation & TISSR.

◆ **The Grand Cultural & Fashion Show**

To close the day on a high-fashion note, award-winning designer **Nivedita Saboo** will inaugurate the fashion show, blending creativity, technology, and textile artistry in a spectacular showcase.

Day 2: Business, Investments & International Collaborations

The second day of GTTES 2025 is all about business and growth opportunities.

- ◆ B2B Meetings (10:00 AM – 12:00 PM) – High-level networking with global delegates for trade collaborations, MOUs, and technology exchange.
- ◆ Investment Summit – Exclusive discussions on foreign investments, government initiatives, and textile sector expansion.

This is the ideal platform for entrepreneurs, investors, and manufacturers to forge global business partnerships.

Day 3: A Vision for the Future of Textiles

The final day is all about future strategies—charting the course for the textile ecosystem in India and exploring transformative technologies that will define the next decade.

◆ **Key Takeaways from GTTES 2025:**

- ✓ Sustainable Textile Technologies – The perfect blend of circularity, waste treatment, and eco-friendly solutions.
- ✓ The Next Phase of Textile Engineering – A roadmap for advanced textile manufacturing in India and abroad.
- ✓ Global Industry Leaders & Experts – A unique opportunity to engage with the best minds in the textile industry.

Beyond GTTES 2025: The Future of Textile Excellence

GTTES 2025 will also launch **major industry milestones**:

 India ITME 2026 Bookings Open – Secure your spot at the flagship 12th edition of India ITME, scheduled for December 2026 in Noida.

 India ITME Technical Awards – Recognizing outstanding contributions to textile engineering & technology.

 ITME Trade Services – Offering exclusive benefits such as trade inquiry services, international exhibition participation, and project consultancy.

With a perfect blend of innovation, business, sustainability, and cultural heritage, GTTES 2025 is more than an exhibition—it's a movement shaping the future of the textile industry.

Be a Part of GTTES 2025 – The Future of Textiles Awaits!

 21st – 23rd February 2025

 Bombay Convention & Exhibition Centre, Mumbai, India

Join us at GTTES 2025—where technology meets creativity, and innovation shapes the future of textiles!
