

Nivedita Saboo at GTTES 2025: A Fashion Visionary Meets Textile Innovation

The Global Textile Technology & Engineering Show (GTTES 2025) isn't just about engineering and innovation—it's also about celebrating the artistry and craftsmanship that define the world of textiles. And this year, the spotlight shines bright on **Nivedita Saboo**, an **award-winning fashion designer and industry icon**, who will inaugurate the **Grand Cultural Program & Fashion Show on Day 1 (February 21st, 2025)**.

With a career that has redefined luxury couture, textile craftsmanship, and sustainable fashion, Nivedita Saboo's presence at GTTES 2025 marks the fusion of technology and creativity, where cutting-edge textile machinery meets high fashion on the grand stage.

 Cultural & Fashion Show – Opening Ceremony by Nivedita Saboo
 17 21st February 2025 | Bombay Convention & Exhibition Centre, Mumbai, India

If you love fashion, textiles, and innovation, **this is an evening you cannot afford to miss!**

Nivedita Saboo: A Powerhouse of Indian Couture

With over 17 years of excellence in the global fashion industry, Nivedita Saboo has taken Indian couture to runways across London, Paris, Milan, Hong Kong, and Dubai. She is the founder of the House of Nivedita, a label celebrated for its modern silhouettes, intricate embroidery, and fusion of heritage with contemporary style.

Achievements That Speak for Themselves

- ✓ **Bharat Gaurav Award** – Honoured for her contribution to the Indian fashion industry.
- ✓ **Suryadatta National Award (2019)** – Recognized for her leadership in design innovation.
- ✓ **Sonia Gandhi Award (2017)** – A testament to her global impact on fashion.
- ✓ **Retailer of the Year (2016)** – Awarded by Times of India for her excellence in couture.

✓ **Gold Medalist from NIFT (2000)** – A symbol of her extraordinary talent in fashion design.

Beyond the runway, Nivedita Saboo has played a crucial role in styling the Global Winners of Mr. India, Mr. World, and Mr. Supranational, showcasing her mastery in luxury menswear and high-fashion styling.

The Grand Cultural Evening at GTTES 2025

The Cultural & Fashion Show at GTTES 2025 is more than just an event—it's a celebration of textile engineering, design, and sustainability. As the guest of honour, Nivedita Saboo will inaugurate the evening, bringing her vision of heritage-meets-modernity to the global textile stage.

✨ What to Expect from the Grand Fashion Show?

- ✓ A Stunning Fusion of Textile Engineering & Fashion – Where cutting-edge textiles meet high couture.
- ✓ Exclusive Insights from Nivedita Saboo – Learn how textile innovation is shaping the future of sustainable fashion.
- ✓ Showcasing India's Textile Heritage – A breathtaking display of fabrics, techniques, and craftsmanship.

This show will blend technology and creativity like never before, highlighting how sustainable fashion and textile advancements are revolutionizing the industry.

The Future of Fashion & Textile Innovation

As GTTES 2025 puts the spotlight on textile engineering, digital printing, and sustainable solutions, Nivedita Saboo's presence solidifies the deep connection between textiles and fashion design.

🌱 Sustainability in Fashion – How eco-friendly textiles are shaping the future of couture.

🎨 The Role of Digital Printing – Redefining high-fashion fabrics with cutting-edge technology.

📦 Textiles & Luxury Branding – How material innovation is transforming fashion production.
