

# Discover Innovation and Excellence at Rabatex Industries: Join us at GTTES 2025!

In the ever-evolving world of textile manufacturing, innovation and reliability are keys to success. Since its inception in 1962, Rabatex Industries has carved a niche as a global leader in textile machinery and material handling solutions. As they gear up for the GTTES 2025 exhibition, they invite business owners, industrialists, and textile enthusiasts to visit their stall and experience firsthand the cutting-edge solutions that have made them a trusted partner in the industry.

## *A Legacy of Excellence*

Founded by Mr. Haresh Panchal, Rabatex Industries has grown from a small operation into a formidable force in the textile sector. With a skilled workforce of over 200 professionals, their strength lies in their unwavering commitment to innovation, quality, and customer satisfaction. They specialize in weaving preparatory products, offering a comprehensive range of machinery designed to meet the diverse needs of their clients.

Their product lineup includes sectional warping machines, Mono Mother yarn split sectional warping, fabric sampling machines, and customized creels for technical textiles, as well as advanced material handling and storage equipment. Each of their machines is designed with the latest technology to enhance efficiency and reduce costs, ensuring their clients receive the best possible value.

## *A Global Reach with Local Touch*

Rabatex Industries has established a robust export network, serving clients across 38 countries worldwide. This global footprint allows them to share their high-performance solutions with textile manufacturers around the globe. The trust their clients place in them is evident, as they enjoy over 43% repeat orders—a testament to their dedication to delivering quality and service that exceed expectations.

Their vision is clear: to be the most preferred global solution provider by supplying innovative products that not only add value but also contribute positively to the environment. Their mission emphasizes continuous improvement in manufacturing and service, ensuring that they achieve the highest levels of customer satisfaction.

### ***Commitment to Quality and Innovation***

At Rabatex, they understand that the key to success in the textile industry lies in one's ability to adapt and innovate. Their state-of-the-art manufacturing facilities employ stringent quality control measures at every stage of production. This commitment to excellence guarantees that their clients receive machines that are not only high in performance but also durable and reliable.

Moreover, they pride themselves on their dedicated after-sales service. Their team is always ready to support their clients, ensuring that their machinery runs smoothly and efficiently long after the sale. This focus on customer care has helped them establish a strong clientele both in India and internationally.

### ***Join them at GTTES 2025!***

They are excited to showcase their innovations at the upcoming GTTES 2025 exhibition! This event is an excellent opportunity for industry professionals to explore the latest advancements in textile machinery and material handling solutions. They warmly invite you to visit their stall, where their knowledgeable team will be on hand to discuss your unique needs and demonstrate how their products can enhance your operations.

At Rabatex, they believe that collaboration drives progress. The GTTES 2025 exhibition will be a vibrant hub for networking and exchanging ideas. By visiting them, you'll not only discover their cutting-edge products but also connect with other industry leaders and innovators. This is your chance to be part of a community that is passionate about shaping the future of textile manufacturing.

### ***The Future of textile machinery***

As they look to the future, Rabatex Industries remains committed to pushing the boundaries of what is possible in textile machinery. Their core values of customer

focus, integrity, operational excellence, innovation, and continuous improvement guide them in their mission to serve their clients better every day.

Join them at GTTES 2025, Stall No. B-01, Hall-3. Together, let's take the textile industry to new heights!
